DISTRICT 11 BILL COLBERT

Bill Colbert is an environmental scientist for the State of Utah's Department of Environmental Quality, where he oversees programs to reduce air pollution from vehicles. He has also worked for the U.S. Air Force on various missile and satellite programs.

Mr. Colbert holds two master's degrees—an MA in Education from Chapman University and an MS in Civil and Environmental engineering from the University of California at Los Angeles—in addition to a BS in electrical engineering from Ohio State University. He has been a member of the Draper City Council since 2000.
